**Please find below a communication from the EXAMINER in charge of this application**  
Commissioner of Patents

Applicant's election of the species (C) B7-1- and B7-2-specific antibodies, of the species (B) in vivo and of the species systemic lupus erythematosus in Paper No. 5, filed 7/18/02, is acknowledged.

However, the reply filed on 7/18/02 is not fully responsive to the prior Office Action because applicant did not submit formal drawings. Applicant may not request that any objection to the drawings be held in abeyance. See 37 CFR 1.85(a).

Since the period for reply set forth in the prior Office action has expired, this application will become abandoned unless applicant corrects the deficiency and obtains an extension of time under 37 CFR 1.136(a).

The date on which the petition under 37 CFR 1.136(a) and the appropriate extension fee have been filed is the date for purposes of determining the period of extension and the corresponding amount of the fee. In no case may an applicant reply outside the SIX (6) MONTH statutory period or obtain an extension for more than FIVE (5) MONTHS beyond the date for reply set forth in an Office action. A fully responsive reply must be timely filed to avoid abandonment of this application.

Any inquiry concerning this communication or earlier communications from the examiner should be directed to Phillip Gambel whose telephone number is (703) 308-3997. The examiner can normally be reached Monday through Thursday from 7:30 am to 6:00 pm. A message may be left on the examiner's voice mail service. If attempts to reach the examiner by telephone are unsuccessful, the examiner's supervisor, Christina Chan can be reached on (703) 308-3973. Any inquiry of a general nature or relating to the status of this application should be directed to the Technology Center 1600 receptionist whose telephone number is (703) 308-0196.
